10<sup>TH</sup> KENYA NATIONAL  
**M&E WEEK**  
4<sup>TH</sup> - 8<sup>TH</sup> APRIL, 2022, KISUMU, KENYA

**THEME**

**THE KENYA NATIONAL M&E WEEK @10: CELEBRATING PROGRESS, CONSOLIDATING GAINS AND EXPLORING NEW OPPORTUNITIES FOR M&E IN THE PUBLIC SECTOR**

### Conference Objectives

The overall objective of the 10<sup>th</sup> Kenya National M&E week is to strengthen institutionalization of M&E in the Public Sector to achieve sustainable development outcomes.

Specifically, the Conference seeks to:

- Take stock of the decade in implementing the National Integrated Monitoring and Evaluation System (NIMES) – identify successes, opportunities and areas of strengthening;
- Provide a platform for the Governments (Regional, National and Counties), development partners and other stakeholders to share knowledge on M&E approaches, practices, lessons and experiences;
- Share experiences and results of M&E practices in the Public Sector over the last decade;
- Explore emerging M&E practices and their adoption over time;
- Enhance understanding on the use and role of M&E in strengthening development outcomes; and
- Review the use of technology in enhancing efficiency in M&E.

### Conference Strands

- i. Harnessing use of evidence to navigate the Development Agenda 2030;
- ii. Adapting M&E to changing times;
- iii. M&E practice in the Public Sector: Lessons learnt and opportunities for the next decade;
- iv. Automating M&E processes;
- v. Institutionalizing Evaluations in the public sector
- vi. Strengthening leadership in M&E; and
- vii. M&E for cross-cutting issues (Climate Change, Gender etc): Theories, Practice and Results;
